of
Written Oxford English

Q English Online – Advanced

Q English Online is a general English course for students aged 12 and above.

For advanced level students. This program correlates with international standards (CEF – C1).

This user-friendly program is for students who already have an advanced level of English.

This interactive online course teaches advanced level English through fun and interactive lessons, authentic real-life scenarios, and useful online tools.

Q English is fully-online, so you can study anytime, anywhere!

Speaking Lab

Practice speaking English at our **Speaking Lab**! Compare your speech against that of a native speaker – and receive instant graphical and written feedback.

Guided Writing Lessons

Develop your writing skills with our **Guided Writing Lessons**! View sample essays, start planning, and finally write your own assignment!

Certification

All students that successfully complete the course and pass the test will receive **qualification certificates**.

Other Special Features Include:

- ✓ Approximately **60 hours** of online learning.
- ✓ Lessons adapted especially for **advanced level learners**.
- ✓ Exercises for **all language skills**: listening, reading, speaking, and writing.
- ✓ Fun **interactive lessons** - with audio and video exercises.
- ✓ Useful online tools - including a **Lexicon** and **Grammar Book**.
- ✓ **Instant feedback** and assessment.
